

You're the first, the last, my everything

Barry White

Parlé : *We got it together didn't we? We've definitely got our thing together, don't we baby? Isn't that nice? I mean, really, when you really sit and think about it, Isn't it really, really nice? I can easily feel myself slipping more and more ways, That super world of my own Nobody but you and me, We've got it together baby*
